

# MANDATORY WATER RESTRICTIONS

Whereas Governor Newsom issued Executive Order N-7-22 directing the State Water Resources Control Board (SWRCB) to consider adopting drought emergency water conservation regulations, and whereas on May 24, 2022, the SWRCB adopted emergency regulations requiring all urban water suppliers to implement Stage II of their Water Shortage Contingency Plans. Below is the District's mandated restrictions.

## Stage I

- Hosing of hardscape surfaces, except where health and safety needs dictate, is prohibited.
- Car washing and outside cleaning activities prohibited except when performed with buckets and automatic hose shutoff devices.
- Water leaks shall be repaired in a timely manner and sprinklers shall be adjusted to eliminate over-spray.
- The serving of drinking water other than upon request in eating or drinking establishments is prohibited.
- Operators of hotels and motels shall provide guests with the option of choosing not to have towels and linens laundered daily. The hotel or motel shall prominently display notice of this option in each guestroom

## Stage II

- All restrictions/prohibitions/initiatives from Stage I are in effect
- Landscape watering between the hours of 10:00 am and 5:00 pm is prohibited
- Outdoor watering is limited to 3 days per week.

\*Ordinance 58A was adopted on October 19, 1988, by the Twentynine Palms Board of Directors establishing rules and regulations concerning water conservation.

*No aerial watering of lawns, trees, shrubs, and other landscaping shall occur between the hours of 9:00 am and 6:00 pm on any day. Aerial watering is defined as any impact sprinkler (Rainbird type) or any other type of sprinkler that sprays water up into the atmosphere. It does not include bubblers, emitters, or drip systems.*
